

STUDENT SAFETY COMES FIRST

As we continue to grow in population, the volume of parent vehicular traffic is so great that the school parking lot can no longer accommodate the upwards of 100 vehicles in the load zone.

School bus arrival and departure is affected by the parental traffic and student movement crossing the lot.

It is important that the load zone be a safe area while school vehicles are present.

For safety reasons, the parking lot will be closed, except to buses and staff vehicles, at specific times:

CLOSED:

8:30 – 8:50 daily

3:00 – 3:25 daily

**EFFECTIVE
TUESDAY MAY 21/13**

Parking Lot Closure Policy was created in consultation with Facility Services (SCDSB), the Safety & Accessibility Officer (Simcoe County Student Transportation Consortium) & with Parent Council input.
