

STUDENT SAFETY COMES FIRST

YARD SECURITY

Although we encourage parents to use the back gates from the park, we ask that parents picking up kindergarten students use the new walking trail and pass through the yard without lingering.

We want to protect our students from strangers and its important **that staff are the only people present in the yard between 9:00 and 3:00 pm.**

Parents/Guardians waiting for young children must do so along the sidewalk, outside of the fenced area. Please do not wait within the school yard.

The School Safety Policy has been created in consultation with Facility Services (SCDSB), the Safety and Accessibility Officer (Simcoe County Student Transportation Consortium), South Simcoe Police, Innisfil Township Fire Prevention Officer, AGES Parent Council.

ALTERNATE PARKING LOCATIONS

“NO STOPPING” signs on both sides of Innisfil Beach Rd in front of the school.

There have been numerous ‘near accidents’ due to cars parking on Innisfil Beach Rd to drop students off. Police and By-Law Enforcement may issue tickets to violators.

Please use the following alternate drop off locations, where students may use sidewalks to walk to the school grounds:

- Webster St.
- Swan St.
- The Park on Huron Court

SCHOOL ZONE SIGNAGE

Flashing School Zone signs are coming.

Innisfil Beach Road in front of the school is designated as a Community Safety Zone by Town Council. Any drivers stopped by police for a moving violation in this zone, will be subject to fines that are doubled .

ARRIVING AT ALCONA GLEN SCHOOL

If you are within the 1.6 km radius of the school, please walk to school whenever possible.

For safety reasons, students are encouraged to **walk with a friend** to school. Bus students should be using the busing provided.

We encourage visitors to walk to the school if at all possible.

If you must drive, please park only in designated parking areas.

There is No Stopping at any time on Innisfil Beach Rd. in front of the school.

FIRE ROUTES

There must be access to the building for emergency response vehicles at all times.

All laneways and paths around the building must have a minimum 6 metres clearance. This means there is no parking on either the side or the front lot unless it's a legal parking space. There is

NO PARKING along the school curbs. Police, By-Law Enforcement and the Fire Prevention Officer may issue fines for violators.

EARLY DEPARTURES

Removing students from school during the day disrupts your child's learning and the learning environment for others. However, if you must take your child out of school early for an appointment, then you must be **“out of the parking lot before the 3:00 pm closure or you will have to remain parked until the buses have departed.”**
